

***Fiscal Year 2022 Department of Defense Peer Reviewed Cancer Research Program (PRCRP)
Reference Table of Award Mechanisms and Submission Requirements***

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Behavioral Health Science Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-22-PRCRP-BHSA</p>	<p>Independent investigator with a faculty-level appointment (or equivalent).</p>	<ul style="list-style-type: none"> • Letter of Intent is required. An invitation to submit a full application is not required. • Supports research that spans the spectrum of behavioral health science including prevention, survivorship, quality of life, and psychosocial research related to cancer. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least one of the FY22 PRCRP Overarching Challenges. • Preliminary data required. • Pilot clinical trials are allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$1,000,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): July 12, 2022 5:00 p.m. Eastern time</p> <p>Application: August 2, 2022 11:59 p.m. Eastern time</p>
<p>Career Development Award – Fellow Option</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number: W81XWH-22-PRCRP-CDA</p>	<p>Principal Investigator (PI): Independent investigators at or above the level of Research Assistant Professor or Instructor (or equivalent) and within 7 years after completion of their terminal degree (excluding time spent in residency or on family medical leave) by the time of the application submission deadline.</p> <p>Career Guide: Investigators at or above the level of Associate Professor (or equivalent); must have a proven publication and funding record in cancer research.</p>	<ul style="list-style-type: none"> • Letter of Intent is required. An invitation to submit a full application is not required. • Supports early-career investigators to conduct impactful research with the mentorship of an experienced cancer researcher. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least one of the FY22 PRCRP Overarching Challenges. • Preliminary data are not required. • Clinical trials are not allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$400,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 3 years. 	<p>Pre-Application (Letter of Intent): July 12, 2022 5:00 p.m. Eastern time</p> <p>Application: August 2, 2022 11:59 p.m. Eastern time</p>

Award Mechanism	Eligibility	Key Mechanism Elements	Funding	Submission Deadline
<p>Career Development Award – Virtual Cancer Center Scholar Option</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRCRP-CDA</p>	<p>PI: Independent investigators at or above the level of Assistant Professor or Instructor (or equivalent) on tenure track and within 7 years after completion of their terminal degree (excluding time spent in residency or on family medical leave) by the time of the application submission deadline.</p> <p>Career Guide: Investigators at or above the level of Associate Professor (or equivalent); must have a proven publication and funding record in cancer research.</p>	<ul style="list-style-type: none"> • Letter of Intent is required. An invitation to submit a full application is not required. • Supports the addition of new early-career investigators (Scholars) to the unique, interactive virtual cancer center focused on fostering the next generation of cancer researchers. • The Scholar will be required to interact within the virtual cancer center and with the Cancer Center Director and Deputy Director. • The Scholar Option provides intensive mentoring, national networking, and a peer group for junior faculty. • Scholars must demonstrate significant accomplishments. • A Career Guide – an experienced cancer researcher with cancer funding – is required. • The Career Guide is not required to be at the same institution as the Scholar. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Preliminary data are not required. • Clinical trials are not allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$800,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): July 12, 2022 5:00 p.m. Eastern time</p> <p>Application: August 2, 2022 11:59 p.m. Eastern time</p>

<p>Translational Team Science Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRCRP-TTSA</p>	<p>At least two, and a maximum of three, PIs (at the level of Assistant Professor or equivalent) must partner in one overarching correlative or translational research study. Post-doctoral fellows cannot be named as a partnering PI.</p> <p>At least one of the PIs is encouraged to be a military or U.S. Department of Veterans Affairs investigator.</p>	<ul style="list-style-type: none"> • Letter of Intent is required. An invitation to submit a full application is not required. • Emphasizes multi-PI, multidisciplinary collaborations. • Supports translational studies associated with an ongoing or completed clinical trial that can lead to a future clinical trial or clinical application in cancer research. • Not intended to support high throughput screenings, sequencing, etc. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least one of the FY22 PRCRP Overarching Challenges. • Preliminary data are required. • Clinical Trials are allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$2,500,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): July 12, 2022 5:00 p.m. Eastern time</p> <p>Application: August 2, 2022 11:59 p.m. Eastern time</p>
<p>Convergent Science Cancer Consortium Development Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRCRP-CSCCDA</p>	<p>PI for Coordinating Center (Consortium Director): Investigators at or above the level of Associate Professor (or equivalent); must have a proven record of accomplishment of leading and scientific ability to direct and oversee a multi-institutional research effort.</p> <p>Co-PI for the Research Site: Investigators at or above the level of Assistant Professor (or equivalent); must have a proven record of accomplishment of collaboration.</p>	<ul style="list-style-type: none"> • Letter of Intent is required. An invitation to submit a full application is not required. • Supports novel approaches to ending cancer through convergent science research. • Emphasis is on the development of a convergent science infrastructure – Coordinating Center. • Proof of principle (convergent science) research projects support. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least three different FY22 PRCRP Topic Areas. • Must address at one of the FY22 PRCRP Overarching Challenges. • Clinical trials are not allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$2,500,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 4 years. 	<p>Pre-Application (Letter of Intent): August 17, 2022 5:00 p.m. Eastern time</p> <p>Application: September 7, 2022 11:59 p.m. Eastern time</p>

<p>Idea Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRCRP-IA</p>	<p>Independent investigator with a faculty-level appointment (or equivalent).</p>	<ul style="list-style-type: none"> • Preproposal is required; application submission is by <i>invitation only</i>. • Supports innovative, untested, high-risk/potentially high-reward concepts, theories, paradigms, and/or methods in cancer research. • Emphasis on innovation. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least one of the FY22 PRCRP Overarching Challenges. • Preliminary data are not required. • Clinical trials are not allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$400,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 2 years. 	<p>Pre-Application (Preproposal): May 25, 2022 5:00 p.m. Eastern time</p> <p>Invitation to Submit: July 11, 2022.</p> <p>Application: September 7, 2022 11:59 p.m. Eastern time</p>
<p>Impact Award</p> <p>Go to:</p> <ul style="list-style-type: none"> • Program Announcement • General Application Instructions <p>Grants.gov Funding Opportunity Number:</p> <p>W81XWH-22-PRCRP-IPA</p>	<p>Independent investigators at or above the level of Assistant Professor (or equivalent) are eligible to submit an application.</p>	<ul style="list-style-type: none"> • Preproposal is required; application submission is by <i>invitation only</i>. • Supports hypothesis-driven, high impact research. • Supports research projects that, if successfully addressed, have the potential to make a near-term, major impact on one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Topic Areas. • Must address at least one of the FY22 PRCRP Military Health Focus Areas. • Must address at least one of the FY22 PRCRP Overarching Challenges. • Preliminary data are required. • Clinical Trials are allowed. 	<ul style="list-style-type: none"> • The maximum allowable funding for the entire period of performance is \$1,000,000 for direct costs. • Indirect costs may be proposed in accordance with the institution’s negotiated rate agreement. • The maximum period of performance is 3 years. 	<p>Pre-Application (Preproposal): May 25, 2022 5:00 p.m. Eastern time</p> <p>Invitation to Submit: July 11, 2022.</p> <p>Application: September 7, 2022 11:59 p.m. Eastern time</p>
